Dear Sir:

I have had a request from the President and Trustees of the University of Waseda, Tokyo, to send a Delegate on behalf of the University of Toronto to the Thirtieth Anniversary of the Foundation of that University, which takes place from the seventeenth to the twenty-second of October, 1913. After consultation with Chancellor Burwash, of Victoria College, I have much pleasure in asking you, as a graduate of the University of Toronto, to represent our University on that occasion.

I have written to the President of the University of Waseda that I am asking you to do this favour for us. Will you kindly take this letter as an official request.

Yours sincerely,

President

Mr. Juza Kond,
Fukagawa, Toraino.

Dear Mr. Kond:

I am very glad to know that the celebrations in connection with the 30th anniversary of the University of Waseda went off with such eclat, and that you were able to represent the University of Toronto on that occasion. I read with interest the account contained in your letter and also that given in the newspaper, which you were good enough to send me. I am sure that you worthily represented us, and I am glad to know that you were given recognition on our behalf.

I hope that the Universities of Japan will continue to progress, and it will be a great pleasure to us were it possible to increase our relations with these Universities to a greater degree than they exist at present.

With kind regards, I am,

Yours sincerely,

President.
